Voted and Sailed Deck

Range

CROSTIMBERS®
THE BETTER BUILDING BOARDS

CrosTimbers Professional Grade is stronger, lighter and more solid under foot than many of the industry's backyard brands. Traditional wood appearance and natural colors that age similar to wood. But the real beauty is that it delivers all of these benefits with very little maintenance.

Qualities

- Low Moisture Absorption
- Strength
- Reversible wood grain or smooth
- Low maintenance
- Naturally insect resistant
- Zero toxic chemicals
- 40mm allowable span

Snow-Load Strength

Fire Resistance

Board size:

25x 4.0mm
Voted and Sailed Deck

Range

CROSTIMBERS®
THE BETTER BUILDING BOARDS

With a CrosTimbers Classic deck, you'll enjoy the beauty of natural wood and the best-of-both-worlds comfort of a splinter-free composite. For a modest difference in price, you can enjoy outdoor living on a deck that won't splinter, crack, warp, or rot.

Qualities

- Reversible wood grain or smooth
- Low maintenance
- Easy to install
- Hidden fastener system
- Zero toxic chemicals
- 40mm allowable span
